## Commander's Column

Comrades, and Legion family members the school year has started for me and I am looking forward to a good year.

National Convention spoke on helping each other and Being the One. So let's all call and reach out to a member to just say hi and make sure they are ok. I will talk more about this at the next meeting I hope to see you there.

Let's ensure we show the youth and township what we do, I want to use our 9/11 remembrance ceremony, and never forgetting our POWs/MIA with those ceremonies this month. The Run for the Fallen, will be from the 25th through the 29th of September and I will need volunteers to cover the six hero markers in our areas on Sunday the 29th. I want to ensure veterans, and Legion family members are there to hold the flags for those heroes, if no one is at the marker, see me for more information. I am looking forward to the early bird dinner and I hope you came out and supported the clambake event. Finally, membership is something we all should be doing every month and getting in those members to pay their dues and always I know we all are looking for new members. Membership is an entire Legion family event not just something that one or two people should be doing. Let's help each other out and bring in those members.

For God and country, Commander Wil
